PREFACE

The Statistical Abstract of Andhra Pradesh, 1988 is the Thirty-Second in the series. It presents data on various aspects of the State Economy for the year 1988 along with comparative figures for the preceding years.

It is hoped that this publication would serve as a useful reference book to the General Public, Planners, Researchers, Bankers and Administrators.

I thank all the Heads of Departments in the State and Central Government who have extended their co-operation in furnishing the required data.

Constructive suggestions for improvement in the presentation and coverage of the Statistical Abstract would be appreciated.
